Accountability Gaps

Recommendations

- | | | |
|----|---|--|
| 1. | Inadequacy and ineffective implementation of the legal framework | The Executive, House of Assembly and the Office of the Auditor-General should work collaboratively to remedy inadequacies in the legal framework and implement the audit law effectively. |
| 2. | Lack of transparency | The Supreme Audit Institution, Office of Accountant-General and other actors should ensure audit reports (including audit issues, observations and recommendations) and citizens' accountability reports are published online and timeously. |
| 3. | Poor participation mechanism | The Office of the Auditor-General and Public Accounts Committee should proactively involve civic and media actors in the audit process. |
| 4. | Insufficient oversight | The Public Accounts Committee should discharge its Constitutional responsibilities on reports of the Auditor-General diligently. |
| 5. | Absence of performance audit report | There is a need to ensure performance audits are carried out to assess implementation of government's programs, projects and policies. |
