	Accountability Gaps	Recommendations
1	Absence of Legal Framework	The Executive, House of Assembly and the Office of the Auditor-General should work collaboratively to enact and implement the audit law effectively.
2	Lack of transparency	The Supreme Audit Institution, Office of Accountant-General and other actors should ensure accountability documents such as audit reports and citizens' accountability reports are published online and timeously.
3	Poor participation mechanism	The Office of the Auditor-General and Public Accounts Committee should proactively involve civic and media actors in the audit process.
4	Insufficient oversight	The Public Accounts Committee should discharge its Constitutional responsibilities on reports of the Auditor-General diligently.
