	Accountability Gaps	Recommendations
1	Inadequacy and ineffective implementation of the legal framework	The Executive, House of Assembly and the Office of the Auditor-General should work collaboratively to remedy inadequacies in the legal framework and implement the audit law effectively.
2	Lack of transparency	The Supreme Audit Institution, Office of Accountant-General and other actors should ensure citizens' accountability reports are published online and timeously.
3	Poor participation mechanism	The Office of the Auditor-General and Public Accounts Committee should improve on the involvement of civic and media actors in the audit process. The PAC should also discharge its Constitutional responsibilities on reports of the Auditor-General diligently.
