	Accountability Gaps	Recommendations
1	<b>Ineffective implementation of the legal framework</b>	The Executive, House of Assembly and the Office of the Auditor-General should implement the audit law effectively.
2	<b>Participation and oversight mechanism needs improvement</b>	The Office of the Auditor-General and Public Accounts Committee should improve on the involvement of civic and media actors in the audit process. The PAC should also discharge its Constitutional responsibilities on reports of the Auditor-General diligently.
