	Accountability Gaps	Recommendations
1	<b>Ineffective implementation of the legal framework</b>	The Executive, House of Assembly and the Office of the Auditor-General should implement the audit law effectively.
2	<b>Lack of transparency</b>	The Supreme Audit Institution should ensure audit reports are published online and timeously.
3	<b>Participation mechanism needs improvement</b>	The Office of the Auditor-General and Public Accounts Committee should proactively involve civic and media actors in the audit process.
4	<b>Insufficient oversight</b>	The Public Accounts Committee should discharge its Constitutional responsibilities on reports of the Auditor-General diligently.
