	Accountability Gaps	Recommendations
1	Inadequacy and ineffective implementation of the legal framework	The Executive, House of Assembly and the Office of the Auditor-General should work collaboratively to remedy inadequacies in the legal framework and implement the audit law effectively.
2	Lack of transparency	The Supreme Audit Institution, Office of Accountant-General and other actors should ensure citizens' accountability reports are published online and timeously.
3	Oversight needs improvement	The Public Accounts Committee should discharge its Constitutional responsibilities on reports of the Auditor-General diligently.
