Accountability Gaps	Recommendations
1 Inadequacy and ineffective implementation of the legal framework	The Executive, House of Assembly and the Office of the Auditor-General should work collaboratively to remedy inadequacies in the legal framework and implement the audit law effectively.
2 Lack of transparency	The Supreme Audit Institution, Office of Accountant-General and other actors should ensure accountability documents such as audit reports and citizens' accountability reports are published online and timeously.
3 Poor participation mechanism	The Office of the Auditor-General and Public Accounts Committee should proactively involve civic and media actors in the audit process.
4 Insufficient oversight	The Public Accounts Committee should discharge its Constitutional responsibilities on reports of the Auditor-General diligently.
5 Absence of performance audit report	There is a need to ensure performance audits are carried out to assess implementation of government's programs, projects and policies.
