| Accountability Gaps                                 | Recommendations   |
|---|---|
| 1 Ineffective implementation of the legal framework | The Executive, House of Assembly and the Office of the Auditor-General should implement the audit law effectively                                 |
| 2 Participation mechanism needs improvement         | The Office of the Auditor-General and Public Accounts Committee should improve on the involvement of civic and media actors in the audit process. |
| 3 Insufficient oversight                            | The Public Accounts Committee should discharge its Constitutional responsibilities on reports of the Auditor-General diligently.                  |
| 4 Absence of performance audit                      | There is a need to ensure performance audits are carried out to assess implementation of government's programs, projects and policies.            |
