Accountability Gaps	Recommendations
1 Ineffective implementation of the legal framework	The Executive, House of Assembly and the Office of the Auditor-General should implement the audit law effectively
2 Participation mechanism needs improvement	The Office of the Auditor-General and Public Accounts Committee should improve on the involvement of civic and media actors in the audit process.
3 Insufficient oversight	The Public Accounts Committee should discharge its Constitutional responsibilities on reports of the Auditor-General diligently.
4 Absence of performance audit	There is a need to ensure performance audits are carried out to assess implementation of government's programs, projects and policies.
