Accountability Gaps	Recommendations
1 Inadequacy and Ineffective implementation of the legal framework	The Executive, House of Assembly and the Office of the Auditor-General should work collaboratively to remedy inadequacies in the legal framework and implement the audit law effectively.
2 Lack of transparency	The Audit Institution, Office of Accountant-General and other actors should ensure audit reports (including specific audit issues, observations and recommendations) and citizens' accountability reports are published online and timeously.
3 Poor participation mechanism	The Office of the Auditor-General and Public Accounts Committee should proactively involve civic and media actors in the audit process.
4 Insufficient oversight	The Public Accounts Committee should discharge its Constitutional responsibilities on reports of the Auditor-General diligently.
5 Absence of performance audit	There is a need to ensure performance audits are carried out to assess implementation of government's programs, projects and policies. Also, the performance audit report should be published.

LEGAL FRAMEWORK & OPERATIONALIZATION

FINANCIAL AUTONOMY NOT OPERATIONAL

The Nasarawa State Public Audit Law enacted in June 2021 provides for financial autonomy of the Office of the Auditor-General. S.13(1)(b) & (c) of the law states that “the Auditor General shall prepare and submit to the House of Assembly at least 120 days before the beginning of each year the estimate of revenues and expenditure for inclusion in the State budget; and the operational, administrative and capital expenses of the State Audit Office including salaries, allowances, gratuities and pensions payable to staff”.

S.13(4) indicates further that “Any sum appropriated to the Audit Office by the State House of Assembly in each financial year shall be charged upon the Consolidated Revenue Fund of the State and paid as a first line charge in equal installments every month of the year”.

Feedback collected showed that the financial autonomy clause is not operational and the Office of the Auditor-General for Nasarawa State is dependent on its auditee (the Executive arm) for finances relating to its annual budget. The inability of the Executive arm to effectively implement the audit law to allow for fiscal independence as provided for in the audit law continues to hinder the optimal performance of the foremost accountability institution in Nasarawa State as it is unable to implement its audit plans and programs freely and without interference.

ADMINISTRATIVE INDEPENDENCE NOT ACTIVATED

The Nasarawa State Audit Service Board has not been inaugurated despite enacting the Audit Law since June 2021. S.29(1) and (2) of the Audit Law established the Audit Service Board while S.37(1) and (2) provided for its functions including to confirm the selection and appointment of persons recruited by the Auditors-General, subject any staff of the offices of the Auditor-General to disciplinary proceedings and impose sanction based on the recommendation of the Auditors-General, and perform such other duties and functions as are necessary or expedient for the purpose

of discharging its functions under the law.

Response received indicated that the Board has not been inaugurated by the Executive to begin performing its statutory functions of contributing to strengthening the Office of the Auditor-General in Nasarawa State administratively.

Administrative independence is crucial to effective functioning of Supreme Audit Institutions at subnational level and to ensure administrative autonomy for the Office of the Auditor-General for Nasarawa State, it is expected that the Audit Service Board would be inaugurated to limit reliance on the Civil Service Commission of the State for all human resource matters relating to recruitment, discipline, promotion, and remuneration for staff of the Office of the Auditor-General.

APPOINTMENT PROCEDURE FOR THE STATE AUDITOR-GENERAL IS TRANSPARENT

The process for appointing the Auditor-General in Nasarawa State as provided for in the Audit Law is transparent and competitive. S.9(1) of the Audit Law states that “in recommending persons for appointment as Auditor-General, the State Civil Service Commission shall advertise the vacancy on its website, in two national newspapers, the official gazette and/or the Procurement Journal for a minimum period of six weeks before the date set for interview”.

TENURE OF OFFICE FOR THE AUDITOR-GENERAL IS SECURED

The Nasarawa State audit law provides for a secured tenure for the Auditor-General. S.10(b) of the Nasarawa State Public Audit Law 2021 indicates that “The Auditor General shall serve for a four (4) year tenure, which will be deemed renewed, until he/she attains the retirement age of sixty (60) years”.

The audit law clarifies the maximum term and number of years an Auditor-General in Nasarawa State can spend with an age limit of sixty (60) years. Term of office for an Auditor-General must be well defined, consistent and predictable to guarantee their independence. This will further ensure that an

Auditor-General is not subjected to the direction or control of any person on the account of tenure instability.

LEGAL MANDATE TO PUBLISH AUDIT REPORTS ONLINE IS AVAILABLE

The Nasarawa State Public Audit Law 2021 provides the legal basis for reports of the Auditor-General to be published and made available to citizens. S.20(4)(a-c) provides that “the State Auditor General shall provide copies of his published reports; where appropriate, to those charged with governance including the Governing Board, Council or Chief Accounting Officer of an audited entity, for review and follow-up on specific recommendations for corrective action; to the State Government press and approved print and electronic media; to be published on any State Government website”.

However, S.21(1) of the State Audit Law provides that “the Auditor General shall, before the end of the 1st quarter of the year, submit an Annual Activity Report, which shall include the results of audit work, to the State House of Assembly and the State Government, which shall be published on its website and made available to the public”.

An annual activity report for the Audit Office/Institution should include the specific initiatives and activities undertaken during the previous/outgoing calendar year to strengthen the office and improve its performance as well as any impacts (financial and non-financial) that were achieved through audit.

AUDIT REPORT FOR 2023 PUBLISHED ONLINE

The Nasarawa State Government published its audited financial statement for the year ended 31st December 2023 on a dedicated website. The document published did not contain audit issues, observations and recommendations of the Auditor-General for 2023. Making the audit

report which includes audit issues, observations and recommendations freely available to citizens enhances civic advocacy and investigative journalism on public finance management practices using audit information.

IMPLEMENTATION OF AUDIT RECOMMENDATIONS FOR 2022 ONGOING

Response received indicated that implementation of audit recommendations and resolutions of the House of Assembly for the 2022 financial year are ongoing. It is not evident if the Office of the Auditor-General and House of Assembly in Nasarawa State have effective mechanisms for monitoring implementation of audit recommendations and resolutions.

NO EVIDENCE OF PERFORMANCE AUDIT FOR 2023

The Office of the Auditor-General for Nasarawa State did not conduct performance audit on the government's programs, projects and policies in 2023.

Performance audit refers to an independent examination of a program, function, operation or the management systems and procedures of a governmental entity to assess whether the entity is achieving economy, efficiency, and effectiveness in the employment of available resources.

CITIZENS' ACCOUNTABILITY REPORT FOR 2023 NOT PUBLISHED ONLINE

The Nasarawa State Government did not publish the Citizens' Accountability Report for 2023.

A Citizens' Accountability Report (CAR) is a series of graphic and tabular illustrations of the contents of the Audited Financial Statements prepared by a government agency on behalf of the government to the citizens to ensure accountability of public funds. The Public Accounts Committee of the House of Assembly in Nasarawa State has commenced review of the 2023 report of the Auditor-General on the accounts of Nasarawa State Government.

The role of the Public Accounts Committee in ensuring timeous review of annual audit reports cannot be over-emphasized and very crucial to concluding the audit action cycle for proper accountability. Recommendations of the Public Accounts Committee to improve accountability in the utilization of public funds must also be taken seriously and implemented as quickly as possible by Executive agencies.

The PAC is encouraged to improve its effectiveness and ensure reports of the State Auditor-General for 2023 and other pending audit reports are given expeditious consideration. The PAC should also continue to involve civic society and media actors when reviewing audit reports and ensure its resolutions reflect the experiences and feedback from citizen groups particularly those

who are victims of audit findings and other public accountability gaps.

CS/MEDIA ACTORS NOT INVOLVED IN THE AUDIT PROCESS

There is no indication that civil society and media actors are involved in the audit process of Nasarawa State, especially because civic actors do not have electronic access to the report of the Auditor-General on the accounts of Nasarawa State Government. The audited financial statement published does not contain key information useful for accountability demands by civic actors.

It is important that citizens, civic groups and journalists who are mostly affected by audit issues and public finance management gaps can engage with the Office of the Auditor-General and Public Accounts Committee to ensure their opinions and experiences reflect in planning and executing audit functions as well as the oversight role of the legislature.
