Accountability Gaps	Recommendations
1 Inadequacy and ineffective implementation of the legal framework	The Executive, House of Assembly and the Office of the Auditor-General should work collaboratively to remedy inadequacies in the legal framework and implement the audit law effectively.
2 Poor participation mechanism	The Office of the Auditor-General and Public Accounts Committee should proactively involve civic and media actors in the audit process.
3 Oversight needs improvement	The Public Accounts Committee should discharge its Constitutional responsibilities on reports of the Auditor-General diligently.
4 Absence of performance audit report	There is a need to ensure performance audits are carried out to assess implementation of government's programs, projects and policies. Also, the performance audit report should be published.
