Accountability Gaps		Recommendations
1	Ineffective implementation of the legal framework	The Executive, House of Assembly and the Office of the Auditor-General should implement the audit law effectively.
2	Sustaining participation mechanisms	The Office of the Auditor-General, Public Accounts Committee, civil society and media actors should sustain participation in the audit proces
3	Absence of performance audit	There is a need to ensure performance audits are carried out to assess implementation of government's programs, projects and policies.
